

# JUPITER 2 OPERATORS MANUAL

Camping supplies are the same for the space camp as for the chariot. Four storage compartments are located in the sides of the vehicle. They will contain general supplies, cooking supplies and other small supplies.

The bulk of the camping gear is six large storage cases, two blue, two silver and two green. The blue cases contain parts to the sun-shield. The silver cases are insulated to carry food. The green cases will carry clothing and other general supplies. The sonic dishwasher is another item to take along, so are two cook sets, a folding table and a tool chest. There is also room for six sleeping bags and two personal hygiene kits.
