

Despite his protestations of being an indifferent school student, Guy is extremely well-read and holds his own in any discussion on ancient history or theology.

Williams also is one of the country's better chess players, having competed in tournaments against several of America's top chessmen.

A better-than-average cook, Guy's speciality is an Italian dish named risotto a la milanaise, but he admits that Janice can prepare it better than anybody he knows.

#### VITAL STATISTICS
