more than 50 different panel shows. She loves them.

In her private life, she is the proud mother of two charming daughters, Anne Kathleen, born September 6, 1953, and June Elizabeth, born November 21, 1955. June is married to architect banker John Lindsay, one of the most successful young men in the field today. They live in a huge, rambling, English-style home in Brentwood that John bought her as a wedding present.

June is direct and intelligent, possesses a rollicking sense of humor and loves to fly kites. She's adept at swimming, water skiing and boating and plays tennis whenever she can. She's still in love with the theater and whenever she returns to New York, spends almost every spare moment seeing plays. She and John own a 1923 Seagrave Pacific fire engine and 1901 Oldsmobile. And, June is very proud of the jewelry John designs for her.
